

# SXP-325A

## Serial / Parallel Converter

- DIP switch for direction setting
- Compact size
- Both hardware and XON/XOFF handshaking
- Easy installation
- Built in buffer for efficient operation

**Patent No.**  
**D 327880**  
**M 9006333.3**

## Features

- DIP switch for direction setting
  - Compact size
  - Both hardware and XON/XOFF handshaking
  - Easy installation
  - Built in buffer for efficient operation
-

## Specification

Function		Specification
Connectors	RS-232	DB-25 ( F )
	Centronics	C-36 ( M )
LEDs		1x Power ( Green )
Interface Exchange	In	Serial or Parallel
	Out	Parallel or Serial
Serial Communication Mode		DCE only
Microcontroller		ASIC
Function keys		Reset
Buffer Speed	Serial	1200-115200 bps
	Parallel	1.5 MB/sec. (max)
Baud Rate		1200 - 921600 bps
Data Compression		8.5:1 (max)
Housing		Plastic
Weight		120g
Dimensions ( L x W x H )		101 x 62 x 25.5mm
