

## UC-1284B

### USB Parallel Printer Cable

- 1 C-36 parallel connector
- Fully compliant with USB Spec. Ver. 1.1
- Max. Throughput: 1.2 Mbits/Sec (ECP Mode)

### Features

- Fully bidirectional to ensure compatibility with today's latest printers
- Non-powered
- 1 USB Type A connector for standard USB cable connection
- 1 C-36 parallel connector
- Fully compliant with USB Spec. Ver. 1.1
- Max. Throughput: 1.2 Mbits/Sec (ECP Mode)

### Specification

| Function                |         | Specification     |
|-------------------------|---------|-------------------|
| Connectors              | USB     | USB               |
|                         | Serial  | N/A               |
|                         | Printer | C-36 Male         |
| Data Transfer Rate      |         | N/A               |
| Cable Length            |         | 180cm             |
| LEDs                    |         | N/A               |
| Power Consumption       |         | 450mW             |
| Power Mode              |         | Bus Powered       |
| USB Specification       |         | USB 1.1 compliant |
| Weight                  |         | 110 g             |
| Dimension ( L x W x H ) |         | 53 x 43 x 19.5 mm |
